“ My mom, Ruby, was the most amazing woman that God created. She lived her life with a sweet spirit, a kind heart and a devoted mother, wife, sister, daughter and friend. I struggle to learn how to go on without her. But, she was a great inspiration to me all my life and I hope to carry on that tradition with my children and grandchildren. She will forever be in my heart, and now my guardian angel. I will always treasure the memories that God placed in our lives together and will never forget this amazing woman of God.
