“ Our dads worked together and Jamie and I grew up somewhat together. Though a few years separated us, he was always kind and fun to be around. I recall he had the BEST smile. Our condolences to the entire family.

“ When my daughter was battling cancer, Jamie would call her just to talk. He made her feel pretty and special even after cancer took her hair, and she didn't feel very pretty at all. His calls put a smile on her face. I will always be thankful for Jamie! Now, he's in Heaven, and I bet they are talking! I hope they are! ❤️❤️

“ Prayers for the family, as i sit here there a hundred memories or more running through my mind about Jamie and this family that i have come to love so dear there have been many prayers for Jamie and his family. Apostle Paul said if we had hope only in this life we would be of all men most miserable. But our hope is in the resurrection of life when we raise in the likeness our beloved savior JESUS. Love and prayers from all of us to all of you. JOB said though he slay me yet will i trust him. Paul D Messer and family.

“ My heart is sadden to hear about Liz and Brooke’s temporarily separation from their father who love them more than life. I didn’t know Jamie personally but it was obvious that Jamie had a very close relationship with both his daughters and his family. These precious moments of Jamie will always be a treasure to his daughters and family. Sincerely Patty Wise
