

Sarah Ellen Johnson

March 11, 1943 - August 6, 2022

On August 6, 2022, SARAH ELLEN JONES JOHNSON of Kermit, West Virginia passed away at the age of 79. Sarah was born to George D. and Mamie Lone Jones on March 11, 1943 in East Point, Georgia. She received her bachelor's degree in mathematics from Emory University in 1963. Three days following her college graduation a telegram from NASA arrived at her home extending a job offer to work on the RCA Missile Test Project being conducted at St. Patrick's Airforce Base in Cocoa Beach, Florida. She accepted the offer and moved to Cocoa Beach the very next week. Sarah's assignments were divided into segments for security reasons and many times she would only see the result of her work when the development was moved into production. She was particularly excited to see her work being integrated with the programs that managed the missile launch arch and pivot as they were launched into space. Her second contribution where she was able to see the result of her work was when she was assigned to the team tasked with developing the program to capture the first images of the moon.

As exciting as it was to work at NASA, it would be a trip to the local minute mart and a bottle of baby aspirin that would link her heart forever to the handsome store clerk who said, "I am sorry your baby is sick". Her response, "I don't have a baby". One year later, Sarah married Raymond Johnson, the handsome store clerk (and returning US Navy Seaman), who gave her a wink when she realized that she had mistakenly picked up the baby aspirin. She then relocated with her husband to Jacksonville, FL, which is where her math skills landed her the first teaching job. Eight years later, they moved to West Virginia, and she continued to work as a math teacher for the Mingo County Board of Education, while also obtaining her master's in education from Marshall University in Huntington, WV. In June of 2003, she retired. Known for her intelligence and excellent teaching skills Sarah nurtured and impacted the lives of many students.

Sarah was preceded in death by her husband of 46 years, Raymond Johnson on August 6, 2011; father and mother-in-law, Dave (Dorothy) Johnson; sister and brother-in-law's Mary (Guy) Parker, Leonard (Betty) Johnson, Linwood (Jeannie) Johnson; brother-in-law's, Dave Johnson Jr. and Herschel Johnson.

She is survived by her children Janet (Stephen) Cantees, Roger (Heather) Johnson, and Rhonda Johnson (Brice Eck); grandchildren Stephanie Cantees, Lyndsey Cantees and

Railey Johnson; sister-in-law's Barbara Jones, Jean Johnson, Carol Johnson; and her brother and sister-in-law Jerry Johnson (Barbara); Sarah also has numerous nieces, nephews, cousins all of which she loved dearly.
