“ *Patty, Steve and Glen,
When I think of Aunt Stella I think of her laugh. When we would visit we would sit around her table in the kitchen. I loved listening and watching Aunt Teresa, Aunt Stella and my Mom interact. The love and respect that had for each other was special bond. Aunt Stella's house was always full of life. I remember Steve, Patty, Mike, Jim and Meghan running in and out. I can remember her holding Meghan on her lap and showing me how long her hair was by pulling the curl out. I will miss those good times but I'm glad that I got to be a part of that special time period. I love her very much and I'm heartbroken for the family. I love you guys.*

“ She really enjoyed this day getting her hair done. She looks good enough for a night out. I am going to miss her and the recipes she shared with me over the years. Love you Stella. You were a great mother-n-law.
