“ The Stephanie I remember was a beautiful person inside and out. She had a wonderful laugh, a giving spirit and always was willing to listen if you just needed someone to hear you. It always made me smile whenever she would buy the newest member of her family a Wildcats onesie or baby jersey. Stephanie was a FIERCE UK fan 😊 Stephanie's shouts watching those games are going to be missed for sure...
Sending love to her 3 children, her brothers and her extended family and friends. You are in my prayers...God has received another Angel home 🌹

“ I didn't know Stephanie for a very long time but met her thru my brother-in-law Terry.
She really loved giving people gifts and had a real knack for finding unusual but special things for people like the ancestry plaque she gave us one Christmas bearing our family name.
She also babysat my great nephew Noah and taught him his alphabet, numbers and how to write his name.
She gave as much as she could to other people and I will always remember that about her. We will always consider her a part of our extended family.
My Condolences to the Castle family and her children.
