“ The Town of Kermit has lost another "leading lady" in Susannah Preece. I have very fond memories of Susannah. She was a fantastic teacher and leader at Kermit High School. She had a great sense of humor! Susannah was also a leader in the community, giving her time and energy to helping others. She always greeted others with a smile and a hug, and was a wonderful mother to her two girls, Tammie and Ann. My condolences to the family, but always know that Susannah had a very positive impact on others that will live on. God Bless.

“ *I loved Mrs. Preece. I remember one time in her class, it was either 1992 or 1993, I was talking in class. She asked me, "Mister Moore would you like to teach the class?"*

I responded "Yes I would"

I thought she asked would you like to answer the question or something along those lines.

She got up and left the class and went to the library.

All my buddies looked me and said, "oh no dude you're gonna die!"

I'll never forget that moment or my dearly loved middle school english teacher.

Mrs Preece you were a wonderful teacher.

*Warmest regards and love

*She always loved me right or wrong, she was my biggest cheerleader that I could seek refuge at any time. She would listen and put up with me, Stella, Tammy and Ann. I'll never forget how she would say now girls you can't do those things, and she never failed to come get us in her robe if we were out in Town, doing something we weren't supposed to be doing.
She was my guidance at a very important time in my life. I love you Sue Baby!!!❤️💔*

So glad she was ther in my junior high years! Do not really have words to express my sorrow for Tammy and the family but you are all in my prayers! may our Lord Jesus comfort you and hold you close at this sorrowful time!

“ So many good memories fill my heart when I think of you and your family, Susannah. Your mom Mattie was so proud of you always. I remember when I first saw you as a student at KHS. You and other majorettes were prancing through the halls, your taps clicking loudly. You were beautiful, stylish and nice to everyone. Later on, when we were teachers at Kermit, you sometimes brought your mom and your girls, Tammy and Ann, up Marrowbone to visit our family. How we enjoyed your company as your girls romped and played near the creek ! Now that you are no longer in an earthly body, but in a heavenly one, we pray missing you will not be too painful. Our condolences go out to all other family and friends. We praise God for allowing us to be blessed to know you.

Sincerely, Herb Muncy and family
