“ Oh, sweet Tasha. My heart is literally broken upon finding out that you're gone. I never heard from you after many friend requests. I just looked at your page tonight and saw your obituary. You and I had a history Tosh. I remember when I first met you at St. Mary's Behavioral Unit. I considered you my friend right off the bat. I caught up with you just a couple wks later when you arrived at PineCrest. I remember crying when you left early and my heart was breaking for you having lost your sister and then your mother just days apart. I worried so much about you after you left. I was hoping that u'd come to Serenity Pointe with me. I think this place would have helped you, it has changed my life! I'll be a yr clean Aug. 5. Yes, there are many here that use but I have succeeded at kicking my addiction. I truly believe I could have helped you. I prayed for you many nights. You're in God's hands now. Heaven got another angel. You are missed Tosh, I love you. Rest In Peace sweet girl.
