“ Tenna, you will be missed by not only your family but by the many friends you leave behind. You know I love you and your the best and longest friend I ever had. You had a heart of gold and a smile that would light up the world. A heart of love and compassion for everyone, I just seen you a few months ago, I never dreamed in a million years that would be the last time.

We have shared many great times together, many tears of joy, sadness and pain. When I lived with you in Columbus, Ohio we had a blast together and i'll never forget that, Crystal loves you to Tenna, she calls you her Aunt Tenna and so did Cathy. May she also rest in peace.

So now the time has come for me to say good bye and once again thank you for being my very best friend.
from me, Darlene
