Sharon Crum - August 11, 2017 at 06:55 PM

I met Timmy Dale on my first day of school at Kermit High School. We were all in the cafeteria for some type of meeting and I noticed him right away. I asked some of my friends who the cute boy with blonde hair & blue eyes was, & of course it was him. He noticed me as well. We eventually began dating, and he became my first love, my first kiss, my first to a lot of things. While still in high school, I got pregnant with our daughter Chanda. Things didn't work out for me & him to be together, but I am thankful for the daughter he gave me & he will always hold a special place in my heart. I pray for comfort & peace for our beautiful daughter, Chanda and our grandchildren. They loved him very much! I also pray for peace & comfort for Logan, Tammy, and the rest of the Preece family!
