“ I just wanted to let the family of Dr Maynard know that I am praying that they find the strength to make it through this. Doc Maynard was my eye doctor from the time that he started his office in Martin county, and I trusted and liked him so much that I took my own children to see him. I remember the first time that I saw him, I was very young, and needless to say, I was not at all excited about having to wear glasses, but he and the ladies that worked for him made me feel so comfortable and confident in myself. Rest in peace, Doc!!!
