Our Beautiful Friend, Tonetta, An Angel now walking the streets of Glory, a place she lived her life to go to one day after leaving this earth. Thank you so much for that. It brought tears to my eyes but brought back so many good memories of when we were growing up. She was more than an aunt to all of us. She was my dear friend and I am going to miss her so much. Thank you again Donna. I will cherish this.

That "Tonetta Smile", she bestowed it on everyone! It didn't matter who you were, she was always good to them... Her heart was so big and contained so much love... She will be missed by everyone who knew her.

I think of her spunk and her giving heart. I think of her smile and the laughter of many years. I think of her family and how they will be lost without her. I think of how she gave her time and her friendship. I think of how cancer tried to take her spirit. Mostly I think of how many broken hearts will miss her and wish she had got to stay. Since God chose her to rest in his home way up high, I'm glad she suffers no more. And, no matter what, I will cherish all that she was to me and feel blessed that I was part of a life that she loved. She would say she had it all....God, family, friends, community and LOVE. This hearts going to miss you my friend! I hope your gentle ways and your patience and love of everyone is a legacy to those you left behind. Your special ways and giving heart will be heaven's gain. Love always!

*KJV Psalms 100 verse 4
Enter into His gates with thanksgiving, and into His courts with praise... I know by now you have met the Savior that you totally served and loved. You were precious to me for so many reasons. I love you and will always pray for your family you left behind. Go now and rest beside the river and in God's arm.*

Loved and got but me and her memories as being Brother and Sister will never be hid in Heaven and I visited every job site she worked at and always was introduced as her Brother and loved her very much there is only one dispute we had in our lifetime and I asked for forgiveness and she said she did like I said she was a big Sister that came to the rescue and made my home payments while I was out of work never wanted me to even know but we went out together on numerous occasions to buy toys for kids in need visited over at the PVA and was introduced to her boss as her Brother also visited school systems she worked at she took pictures but they all disappeared as she always took a family portrait with us also I do have a very loving family but this was a sad occasion for us and if you would of asked we had photos also of us together on visits but was never informed last pic I received was on her death bed blowing me a kiss this and my younger Sister dying has just about destroyed or broke my heart I pray God helps me to forgive the loving family I know I once had that was so selfish at such a selfish time. Whoever ever is at fault I love and will forgive may it bring you joy you left me the one closest to her out but look at me she'll always favor me in face every time you look because always everyone could tell But my God is bigger than anything this world has to throw at me...

“ *She served the Lord and now has her reward. To be absent in the body is to be present with the Lord is what God's word says. Tonetta was Tonetta everyday. It didn't matter what a person's status was, she was kind to everyone. I could never tell her no when she asked me to do something for her. I could always hear her before I saw her. She was so active and burned candles at both ends and then some. With her college degree she said it should have had my name and others on it also. Tonetta loved serving the Lord and would praise God no matter where she was and if no one wanted to hear her they could leave. God came first then family and friends. She knew she wouldn't have anything without the Lord and gave thanks to Him for all things. "I go to prepare a place for you says the Lord that where I am ye can be also." She just made it there before we did and we can spend eternity with her if we follow the Lord.*

“*Tonetta was the Family Resource Center Coordinator at Warfield Elementary School. She was instrumental in Children Incorporated being accepted into Martin County, KY in 1995, when our organization had previously been working from 1992-1994 in Pike County, KY only. Then in 2000, when she transferred to the Youth Services Center at Sheldon Clark High School, Tonetta was eager for Children Incorporated to become affiliated with the high school, so students could benefit from their sponsors' kindness and mentorship through graduation. At both schools she was an outstanding volunteer coordinator for our organization, from bargain-hunting and bookkeeping to students' correspondence and updates. She had a wonderful sense of humor and zest for life. Over time, she managed efficiently and effectively thousands and thousands of Children Incorporated dollars that benefitted the education and well-being of hundreds and hundreds of Martin County students. It was my pleasure and privilege to know Tonetta, and I will miss her. Our board of directors, president, staff and I extend our heartfelt condolences to Tonetta's family, friends and all who loved her. --Renée Kube, Director U.S. Programs, Children Incorporated.*
