“ *Will never forget first getting to know Tonya in 2004. My husband, Harold(her cousin) was in serious condition at St Joseph Hospital in Lexington and she had a close friend there in Hospice Care at the same time and she and I were there night and day. She had so much compassion, care and concern for others that was so outstanding. I admired her since that time. God Bless her family with the Peace that only He can give. I love each of you. “ Words can never fully express how we feel about the loss of someone who passed through our lives and for a fleeting moment made an impression on our hearts. Tonya Mills, as a student at Sheldon Clark, did just this. She was a special jewel, always shining with laughter, kindness, and a special giving spirit. She was a part of a special group of ladies that were like no others. They formed a bond that is still there today and even though they may have taken different paths, their friendship is still as strong as ever. My heart is broken for the deep pain that I know her family, especially her Mother is enduring and the heartache that everyone close to her is feeling. It takes a minute to find a special friend, an hour to appreciate them, a day to love them and a lifetime to forget them. She will be missed greatly and spoken of and remembered often by all those that had the honor of knowing her.

“ Goodbye my dear friend, thank you for all the love and the laughter throughout the years and for always being my true blue friend until the end. I'm really going to miss you. I was looking forward to debriefing about our lives when we got old and having many, "remember when moments", so we could laugh hysterically together. I thought that would make me forget about the gray hair and wrinkles. Maybe you can instead be an angel by my side forever. 💕

To Tonya's family, my thoughts and prayers are with you during this time of grief and sorrow. I am sending you strength, courage and hope in the days and weeks to come. Tonya was so lucky to have you and she knew it and loved you all so very much. What a wonderful and blessed family you have been. Next to my own, you are absolutely the best. I will always love you.

You have left us way too soon and my heart breaks that I'll never get to see your smile or hear you laugh or share a childhood memory that would leave us both laughing at ourselves. We could go years without talking and in one second of reuniting it felt like just yesterday and that to me is a sign of a true loyal friendship . Go rest now and be in peace my friend, until we reunite once more on the other side where no more heartaches , sickness, worries, tears or pain will ever have us again . Love you Tonk*
