“ *What a precious tribute. Our prayers for you today would be that you can see God in Tracy's life and how He is using others to hold you up in prayer for strength, comfort and grace for the days ahead. We are so sorry. God said He wouldn't put on us more than we can bare and I know that isn't making sense now. Look to Him and follow Him for that is where Tracy has gone and that is where you will find her. Praying you find that inner peace. Love, Dan & Jeanie Frederick*

“ *Tracy was always the little sis. You see, I grew up with Tammy, and visited her home often. Did all the High School shenanigans. We have been friends for years. So, I watched this young lady grow up from afar. Thanks to Facebook, I got to watch Tammy's little sister emerge into this beautiful young lady. Marriage, then she became a mother , and went on to be a mother of two....she had the girls, and Tammy had the boys -- Well Anyway... My heart aches for the family. I love you Bonnie, and I Love you Tammy. May GOD wrap his heavenly arms around you through this time.*

“ So many wonderful childhood memories are with her..As I sit here typing one memory comes to mind of how mom and Bonnie would always try to make out dentist appointments together in Ashland.. Afterwards we would always go shopping and out to eat... As we grew older we grew apart.. Nevertheless she was a wonderful,genuine, gentle soul... She was and is loved by many... My heart goes out to all the family...Especially her sweet and loving daughters, and her kind gentle hearted mother.. Much love to them all
