“ One of the sweetest and kindness woman ever. I have known her for years, always the same. Hard working never complained about anything.. I am truly blessed to have shared some of her time here on this earth. Love her a lot, more people should be like her, this world would be a better place. Rest In Peace. You are in a better place now. You are singing with the Angels a song that only you and them can sing. You will be missed by all. Love you Verlia

“ *I know you guys don't know me but I worked a little while at the Dairy Bar with Verlia and she was a sweet heart then and always was to me even after that when I would see her out. I remember her homemade hotdog chili. She made the best, but most of all she was a wonderful person inside and out. She will truly be missed by the many that got the opportunity to know her*

May the family since God's comforting presence during their time of grief and celebration. There remains a rest for the people of God. She has entered this rest with our Lord.
