“ So sorry to hear of the passing of Vernice. She was a wonderful lady that our family thought so much of. Enjoyed our many visits with her at our home and the Martin Co Health Facility during her stay there. I know she will be missed by many people.

“ I became friends with Ms. Claypool at the Health Care Facility a few years ago, as i went there to sing with a Gospel group and visit family and friends. We became close friends and looked forward to our visits with each other. She was a very special lady, who loved people and wanted to do all she could for herself. She knew who she trusted in, and would tell me He (God) has me here for some reason. I would take her a plain vanilla sundae, which she really liked, She would tell me, "but i like the one that brought it better". I am glad our paths crossed here in this life, and believe they will cross again in Heaven. My love and prayers to all those who loved her. I did, and i will miss her very much. Mrs. Claypool was a wonderful lady who enjoyed life and interaction with others. I was blessed to have many conversations with her while at the Martin Co. Health Care Facility and to pray with her. May her soul rest in peace with the Lord.
