“ As I write this my heart is so sadden,I will always remember this kind,compassionate man,he had a heart of gold.You know you don't meet many people who leave such and impact on your life who go out of their way to help those in need.Many years ago my family was having a hard time financially,I'll never forget the Brown family for their kindness.This world would be a much better place if we reached out to those in need.Please know that you all are in my prayers and that I love you all so very much.
